Hi F2,

Here are today's activities:

What animals did you spot in the story? What noises did they make? What were they doing?

Can you write some of the names of the animals? For example, pig, cow, dog, horse.

Challenge: Can you put some of these words into sentences? For example, a pig is pink.

Can you write these words into the phoneme frame template? (skip ,brush ,bench, desk)

Maths – Time

Practise counting using the splat square <https://www.topmarks.co.uk/learning-to-count/paint-the-squares> For example – counting 1-20 forwards and backwards, counting in 10's, counting in 2's, one more, one less, missing numbers.

Talk about different times of the day when we do things. For example: what time do you wake up, what time is lunch, what time do you have dinner?

Can you make a clock using cut up pieces of paper or draw it outside using chalk remember the 12 is at the top of the clock.

Can you make the o'clock times of the day. For example: school starts at 9 o'clock.

Remember the minute hand (longer hand) points to the 12 and the hour hand (smaller hand) points the hour it is.

Can you draw a picture of an animal you have learnt about and write what it eats.

Play a PE game: Can you move like different animals? For example: a cheetah, kangaroo, snake, sloth, crab, frog etc.

Wellbeing Activity: Go on a 'senses walk'. Go to a familiar place (or somewhere completely new) and think of all of the things that you can see, hear, smell and feel.
