Dear Parents / Carers

Re: Changes to the cost of Holiday Club

The Governors have agreed to a new pricing structure for Holiday Club to support families. The cost of the day will remain at £15 for the first child and £13.50 for siblings booked on the same day. We hope that this will help families with the expense of childcare during school holidays.

ParentPay has been set up to allow this reduced payment. When booking your children into Holiday Club please ensure that you enter £15 for your first child and £13.50 for all other children. Please note this reduction can only be used when the children have been booked in on the same day.

Example:

First child's ParentPay:

How much would you like to pay?

All other children:

How much would you like to pay?

Should you have any problems please contact the school office.

Kind Regards
