OLSE Newsletter

Friday 19 September 2025

What a fabulous start to the school year!

The children that are new to the school, especially those that have started coming to school all day for the first time, have made a brilliant start and have settled well.

Our youngest children, in the annex, are enjoying their new classrooms which had a full refurbishment over the summer holidays. We're looking forward to inviting their parents in for some stay and play sessions.

We are all looking forward to the year ahead and all the exciting learning and opportunities that we have got planned. I know that some classes already have trips and visitors arranged. We also have some events planned where you can come and join us to find out about what your children will be learning and how you can support them at home so that they reach their full potential.

Enjoy our newsletters – they will give you a flavour of some of the exciting things going on in school.
