Dear Parents

Year 4 Food Tasting

Next week, as part of our DT Curriculum, we are focusing on the theme of Curing and Preserving. As part of our exploration, the children will be looking at some of the different methods used in Scandinavia to cure and preserve food. We will be providing the children with an opportunity to try different traditional foods from Scandinavia such as:

- Pickled Herring
- Cured Salmon
- Pickled Gherkins
- Lingonberry Jam
- Rye bread

Although we are not providing foods containing nuts, we cannot guarantee that they do not contain traces of nuts or could be made in a factory where nuts are being processed.

If your child is allergic to any foods and therefore should not take part in this session please advise the school office via email, schooloffice@ourlady-saintedwards.wirral.sch.uk no later than 12pm on Monday 21st March 2022.

If you do not email we will assume that your child has no allergies.

Yours sincerely

Mrs E McGunigall
Headteacher
