03 July 2020

Dear Parents

As we enter the last two weeks before the summer break we are pleased that so many of our Year 6 children have joined us. It is usually a time of celebration as they prepare to take the next steps in their life journey and, despite the restrictions of the pandemic, we have enjoyed these last few weeks together.

Now we are looking forward to our slightly adapted leaving celebrations. The virtual leaver's assembly is beginning to take shape, the secondary school transitions are nearly complete and we are finalising plans for a socially distanced picnic with our children in school.

Weather permitting, we are arranging for our picnic party to take place on the Year 6's final day in school which would be Wednesday 15<sup>th</sup> July. The school will be covering the cost and we are looking forward to an opportunity to all be together – even with appropriate social distancing measures.

All the pupils that have returned to school already will be automatically included however, if your child has not yet returned to school they will not be able to attend. This is due to their understanding of the "New normal" and the need to follow the new Covid-19 safety procedures. There remains the opportunity for all pupils to return to school from Monday 06 July so that they can be a part of this special time and we hope that this email gives you enough notice to make arrangements for their return. If your child has not been attending school since the reopening please confirm your intentions with the school office as soon as possible.

Year 6 pupils in Key Worker bubbles will also be invited to attend the final day celebration. If you wish your child to be involved they need to arrive at school on Wednesday 15<sup>th</sup> July and enter the building via the KS2 playground gate from 9am with their peers. They can be collected from this gate at their usual time. Please advise the office if they will be joining us.

Best Regards

Mrs McGunigall

Headteacher
