

F2 – Home Learning – Friday 29th January 2021

Hi F2,

We cannot wait to see all of your hard work!

Literacy – Wanted Poster

We are so impressed with the instructions you created yesterday.

We want you to make a wanted poster so Goldilocks can clean up the mess using your instructions. Think about what she looks like and what she did. Can you include that in your poster. You might even want to draw a picture of her too.

Phonics – Consolidation

In Phonics, we are practising our Phase 2 and 3 phonemes:

Phase 2 (s, a, t, p, i, n, m, d, g, o, c, k, ck, e, u, r, h, b, f, ff, l, ll, ss)

Phase 3 (j, v, w, x, y, z, zz, qu, ch, sh, th, ng, ai, ee, igh, oa, oo, ar, or, ur, ow, oi, ear, air, ure, er).

Play sentence substitution: Read the sentence and then swap one of the words in purple to make a new sentence to read.

You can hear a goat. (toad – song – see – coin).

They might meet in the town. (market – summer – we – fish.)

The shop is on the corner. (church – right – shark – boat)

Maths – Repeated Patterns

We have been so impressed with your repeated patterns. We thought you might like to make another one but this time with some yummy treats.

You might have some biscuits (or something alike) at home. Or you could pick up one of the baking packs from school (Annexe building 10am -11am) and make some if you like. We would like to decorate some biscuits or make some of different shapes or colours to create a repeated pattern.

F2 – Home Learning – Friday 29th January 2021

PSED: The squirrels who squabbled.

Before playing the video. Look at the front cover of the book. How do you think the characters are feeling? What does the word squabbled means? What might they 'squabble' about?

Watch the video [The Squirrels Who Squabbled by Tim Field - YouTube](#)

Think about: What does it mean to share? Do you think the characters were good at sharing in the beginning? What did they learn? Do you think it is important to share with your friends? Why?

Can you create a poster showing ways you can share?

Wellbeing Activity: Bake some yummy treats with your family. This might help with the maths activity for today.

Have fun and remember to post pictures of your work on Tapestry!

F2 Team
