Hi F2,

Here are today's activities:

### **Literacy – Farmer Duck**

Re-listen to the story Farmer Duck. Miss Kealey has read the story on Tapestry (Memo's).

Can you remember your actions for the story? Can you act out the story to an adult or sibling at home?

Complete a storyboard/map activity. Please find the worksheet attached on School Spider.

### **Phonics – Adjacent Consonants**

Can you practise these phonemes with the caption action 'o, a, r, e, oa, or, ear, ure'

Play a Phonics Play buried treasure game with words containing adjacent consonants. For example: lam**p** (the 'mp' is the adjacent consonant).

<https://www.phonicsplay.co.uk/resources/phase/2/buried-treasure>

Can you try to read these sentences containing adjacent consonant words in them? You might want to draw the sound buttons underneath to help you.

- A lost chimp felt so sad he wept.
- This belt is so tight, it hurts my waist.
- A tent will get damp in the rain.

### **Maths – Number Formation**

Practise counting using the splat square. For example – 1-20 forwards and backwards. Counting in 10's, counting in 2's, one more one less, missing number etc. <https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Ask an adult to write some numbers on a piece of paper. (Adult - Draw a number that is backwards or the wrong formation, which is amongst some numbers that are wrote correctly. Can your child spot it and write it the correct way.)

Complete worksheet on School Spider.

We will begin our topic on reptiles today.

Do you know anything about reptiles already?

Watch the video Reptiles <https://www.youtube.com/watch?v=DefLKnKyQfA>

What are the differences between humans and reptiles? Use the template attached on School Spider to sort between reptiles and non-reptiles?

Challenge: Can you draw a picture of a reptile and label it?

**Wellbeing Activity:** Laugh! Share some favourite jokes with friends or watch a funny cartoon or video.

Have fun and remember to post pictures of your work on Tapestry!
